Panels, Workshops, and Party Leaders

Before the official business of the convention begins on Friday and Saturday, the Washington State Republican Party is hosting a fun Thursday packed with panels and workshops presented by state and national experts in their field, we will have great lunch speakers and plenty of time to meet fellow Republicans and delegates, and you'll have the opportunity to watch as elected GOP party officers from all 39 counties meet for their quarterly state committee meeting with State Party Chairman, Jim Walsh. Throughout the day you'll have the opportunity to visit the hundreds of vendor booths in our exhibit hall. At the end of the night, we'll have a fun convention welcome social for all delegates and guests as we celebrate, the "Heart of our Party", YOU!
